47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a current Sonic customer and am very satisfy with their pricing and service. Sonic is not only competitive in pricing, they offer an alternative that was not available before. We need competition in the market place and Sonic fulfills that role. Sonic offers a variety of plans that fits my limited budget with excellent customer support whenever I need technical support. Please ensure our market place remains competitive and protect consumers ability to choose! We need to choices and the market place needs competition to keep prices affordable.
